## FREELAND BEATS BEAVERTON

The Freeland Flyers defeated the Beaverton Beavers last Saturday, 18 to 0. John Smith made the first touch-down in the opening minutes of the game and two more followed in the second quarter, made by Larry Sasse and Gary Lewis. Three of the Flyer's squad are temporarily sidelined with injuries but hope to be back shortly. Freeland meets Carrollton this week away from home.

Coach Skillman came to Freeland High from Beaverton where he taught for four years. While there he was head coach in Basketball, Football and Baseball. He is a graduate of Oscoda High School and Central Michigan University. The Skillmans have been in Freeland now for three months and commented on the friendly atmosphere of the community and the support that it gives to the athletic program

of the school. They have one daughter, Kelley, 1½.

Mrs. Skillman remarked that any club or organization wishing to have the athletic program of the school discussed as a topic at any of their meetings, one of the athletic staff of he himself will be happy to oblige.

## TOWNSHIP SHORTS

.....The Freeland Womens Study Club held their first meeting of the season last Tuesday potluck dinner was served.....Mr. and Mrs. S.T. Sanford visiting in Delaware, Ohio.....The Lawrence Schroeders of Illinois guests of Mrs. E. Munger.....Ken Foy hospitalized.....Mr. and Mrs. J.C. **DANCE SUCCESS**

The dance last Saturday night, sponsored by the Athletic Association was termed a big success. Over 200 local and out of town persons attended and danced to the music of The Men of Note. Plans are now in the making and another adult dance has been scheduled for December 16th, same time, same place. The Arthur Murray Dancers who appeared and entertained at this last dance plan to be there again, with a bigger and better exhibition for the December Dance. Tickets will be on sale sometime in October. The Athletic Association wishes to thank you for your attendance at this last affair; your having been there aids them greatly in meeting their objectives.

## Plan New Try On Isle Grouse

An effort to stock Hog Island in the Beaver group in Lake Michigan, with disease-free ruffed grouse, as part of a plan to utilize this and other islands as remote "laboratories" for grouse study, has gone into the records as "unsuccessful" and a new attempt will be made this fall.

This is a sidelight disclosure in a game division memorandum to the conservation commission containing recommendations that the 1961 grouse seasons and bag limits remain unchanged.

Hog Island was closed to grouse hunting for 5 years by commission orders, issued in August, 1958, to protect the experiment.
